CORE COMPETENCIES

- Section 508 accessibility audits (manual + assistive technology)
- VPAT 2.5 / ACR authoring — WCAG, 508, EN 301 549, INT editions
- WCAG 2.1 & 2.2 Level AA conformance testing
- OpenACR machine-readable (YAML) conformance reporting
- Remediation guidance with developer-ready fixes & closeout re-test
- Procurement-side ACR evaluation for contracting teams
- Cognitive & documentation accessibility (PDF/UA, plain language)

WHY 508AUDIT

- Named-evaluator sign-off on every conformance claim — defensible, not guessed.
- Machine-readable OpenACR delivery, version-tracked the way GSA procurement expects.
- Fixed pricing and 5-business-day Flash ACR turnaround — no quote chase.
